2. Statement

I hereby state that the accompanying substitute specification contains no new matter over that contained in the above-identified application originally filed.

- ☐ I further state that the changes made are the same as indicated in the marked-up copy of the immediate prior version of the specification also accompanying this statement.
- ☐ As no changes are made (e.g. the substitute specification is only a clearer copy) the marked-up copy is the same as the substitute specification and only one copy for both accompanies this statement.
